## PRESS RELEASE

**First New England Realty Group, LLC  
And  
Meridian Custom Homes, Inc**

### **Announce “The Preserve at Mill Pond”**

Wrentham, MA, April , 2018, **First New England Realty Group, LLC and Meridian Custom Homes** announce a marketing and build agreement for the newest subdivision to be opened in Wrentham, MA which will be called “The Preserve at Mill Pond”. This New Community located in the northwest area of Wrentham, MA, off of Park Street, will be a spectacular Open Space Preserved Development consisting of 112 acres of rolling natural woodlands which is designed to accommodate 92 single family homes. The site is a unique location in which the developer has painstakingly saved every possible natural asset from towering pines to stone walls, meadows and a most spectacular 20+ acre pond which has been formed by an industrious group of beavers who inhabit the area. Its location off of Park Street makes it a very convenient location for commuters by car to major highways or MBTA to Boston/Logan Airport or Providence TF Green.

Inspired homes, designed and built by Meridian Custom Homes will begin at 2000 square feet and will be configurable Ranches, Colonials and Estate Colonials. First floor Masters and In-Law suites are planned features to accommodate a variety of lifestyles through a family’s life cycle.

“Homes can no longer be built without considering changing life cycle requirements of families and extended families in friendly and safe neighborhood environments” said Daniel J. Capone, President, First New England Realty Group, LLC.

Alex Mitchell, President of Meridian Custom Homes added, “We are passionate about our client relationships and this is reflected in all that we do. From the in-house design process, interior and exterior customization and artisanal craftsmanship, to the professional management and accurate fixed pricing, our aim is your total satisfaction with your new home.”
